Halloween Safety

The approved trick-or-treat hours for all Stuttgart housing areas are 5 to 7 p.m.

Parents must accompany their young children and verify that older children are traveling as part of a group. No one should trick-or-treat alone.

All community members should carry identification with them at all times and should ensure that they are visible in the dwindling daylight (via reflective tape, brightly colored clothing or flashlights).

Observe everyday pedestrian safety measures: Stay on the sidewalks and only cross the street at marked intersections (never from between parked cars).

Remember: Toy weapons and military uniforms as costumes are not permitted.

Do not call or report to the Stuttgart Health Clinic for emergencies. The clinic is not staffed or equipped to handle these situations. True emergencies, which may require ambulance

service, include heart attack, poisoning, severe bleeding, unconsciousness, breathing difficulty or severe injury to the head or torso.

If a true emergency exists, on or off post, call the military police at 116/civ. 0711-680-116 and provide the patient's name, age, sex, nature of emergency, and your telephone number and location, (including installation, street, building, apartment and room number). Stay on the line until instructed to hang up.

The German Red Cross (DRK) provides ambulance service to the Stuttgart military community; the Stuttgart Health Clinic has no ambulances. The DRK should be used only for genuine emergencies to prevent loss of life, limb or vision or to limit undue suffering.

Family members of active-duty service members stationed in Germany are required to have a new blue Status of Forces Agreement certificate, or SOFA stamp no later than Jan. 15, 2005 in their no-fee passport.
